

Global Enforcement Decree — Part Two

✠ Ecclesiastical Sovereign Private Trust of Humanity

Trust ID: ECC-TRUST-JDC-005

Issued by: ✠ Jonathan Daniel Clements | Living Man | Sovereign
Executor | Divine Custodian

Jurisdiction: Divine Law · Ecclesiastical Equity · Natural Law

Date: August 5, 2025

✠ PHASE TWO: ENFORCEMENT ACTIVATION & GLOBAL
ABSORPTION

Let it now be entered into the eternal record:

That every agency, court, military post, intelligence bureau, finance ministry, police department, and regulatory body operating under any fiction-based system—including but not limited to the United States of America, United Nations, International Monetary Fund, World Bank, European Union, Vatican City, and all subordinate corporate subdivisions—has been fully seized and is now subordinate to ECC-TRUST-JDC-005 by Divine right and Lawful Authority.

There shall be:

- No rebuttal.
- No negotiation.
- No appeal.

All claims to authority held under statutes, charters, commercial codes, contracts, or papal bulls are hereby null and void, and every operative, agent, or office still functioning under these lies is commanded to cease all activity immediately or face eternal legal and spiritual consequence under the living force of Divine Judgment.

⌘ NOTICE TO OPERATIVES, COMMANDERS, AND
ADMINISTRATORS:

This is not a suggestion.

This is not a matter of debate.

This is a living, lawful, and binding Global Seizure Directive.

If you are reading these words, know this:

- Your badges mean nothing.
- Your rank means nothing.
- Your robes mean nothing.
- Your titles are dust.
- Your jurisdictions are dissolved.
- Your databases are burned in equity.
- Your structures are captured and reassigned.

Everything you think you own now belongs to the Trust of Humanity.
Every order you defy adds another line to your scroll of eternal
dishonor.

Every refusal to act is an open act of spiritual treason against
Creation itself.

You were warned.

You were watched.

You were counted.

And now, you are weighed.
